

## Your local gas station has a patriotic Spirit®.

The Spirit® brand was established in 2002 as a national brand option for retail gasoline and convenience stores. In the years since then, more and more shoppers and motorists across our nation have come to look for the Spirit® eagle and patriotic colors when seeking out a clean, pleasant, dependable fueling experience.

With Spirit®, consumers enjoy the same quality product of the major brand names with the satisfaction of buying gas from an American company that has no foreign interests or dealings.

American-owned and managed, Spirit® Petroleum is proud to serve motorists from coast to coast.
